# **Lincoln City Has A World Of Wonders To Explore And The Inn At Wecoma Is The Perfect Accommodation**

Located on the US-101 and close to all the sights and activities in Lincoln City, including the shortest river in the world, is the Inn At Wecoma. In the native language of the local Siletz Indians, Wecoma means "big waves"

One of Lincoln City's biggest attractions close to [The Inn At Wecoma](#) is the Kite Flying Festival which attracts enthusiasts and tourists from all over. This festival is always held in June every year. To the delight of enthusiasts and tourists attending the last event, a world record was actually broken. The crowd was thrilled to witness such spectacular kites as an inflatable dragon, octopus, manta ray, quartet of inflatable bears and a 91 foot long gecko.

Lincoln City is home to seven and a half miles of clean sandy beaches with Siletz Bay and River to the south and Salmon River to the north. Lincoln City has a mild maritime climate which makes it a popular tourist destination. Leave the hustle and bustle behind and enjoy Lincoln City's very relaxed outdoor lifestyle.

Many other activities are within walking distance of The Inn At Wecoma such as nature walks through the forests, maritime activities and floating glasses on the beach to name a few. Other wonderful benefits are the clean sandy beaches, beautiful green forests and pollution free air. The Inn At Wecoma also offers guests an array of fresh seafood to delight the whole family such as crabs, clams, mussels and prawns.

Visiting Lincoln City at least once in a life time is a must and there is no better accommodation than [The Inn At Wecoma](#). Rooms and suites are available for every budget, but it is strongly advised to book your vacation early to avoid disappointment.

Visit their website at [www.innatwecoma.com](http://www.innatwecoma.com) where you can check rates and availability from the comfort of your own home.
