Visit Central Thailand

As a heart of culture, the central region is covered with a rich tapestry of holiday maker attractions. Only in Bangkok, travelers may need a few weeks to explore this vibrant city. One among other highlights in Bangkok is its numerous temples standing next to the modern high-rises, chaotic metropolitan activities and huge traffic gridlock. Shopping and nightlife scenes in Bangkok are among those loveliest in the world.

Besides being Thailand's most fruitful land for rice growing, the Central region is also renowned for its attractions which target natural resources and traditional consequential remains from different ages. Trips to forests, beautiful waterfalls, caves and beaches can be combined with visits to traditional ruined temples and historic places.

Merely a hundred kilometers from Bangkok, you see the numerous scene and atmosphere of the large paddy-fields, green and lush scenery as well as more ambling lifestyle of folk in Damnern Saduak, Kanchanaburi, and Nakhon Pathom. North of Bangkok, you can witness the trace of the excellent days of Ayutthaya, the Khmer-influenced architectures in Lopburi, and experience the tranquil and interesting historical parks in Sukhothai, the 1st capital of Thailand in the early times.

There are others notable places like Kanchanaburi, location of the internationally renowned "Bridge over the Brook Kwai" and an Allied war cemetery of infantrymen who built "Death Railway", Kaeng Krachan Thailand's biggest state park, Cha Am and Hua Hin, 2 preferred beach resorts, the coastal Sam Roi Yot State Park, and Prachuap Khiri Khan, a fishing city with a scenic bay, beachside pagoda and lice resident monkey tribe.

[Central Thailand](#) has so much things to show, from colourful capital to historic parks, from nationwide parks to scenic sea side and beautiful beaches, that may amaze visitors who can organize multiple sort of trips around this really pretty and delightful destination.
